## New Textbooks for the 2026 AP® Latin Exam

Bolchazy-Carducci Publishers is pleased to be working on a full lineup of new texts to align with the College Board's announced AP Latin curriculum changes. We will offer our acclaimed Pharr-style student textbooks, comprehensive workbooks, notebooks, and an online component (*LUMINA*) to help teachers and students prepare for the exam. Our books will include all of the required readings and additional selections chosen by expert teacher-scholars. Usability features, such as glossaries, frequent-vocabulary lists, a rhetorical device appendix, and more will help teachers and students move quickly and with confidence through the readings.
