Bolchazy-Carducci Publishers is pleased to announce a brand-new Greek textbook series! *New Testament Greek: A Reading Course* (p. 3) is an all-encompassing introductory Greek program ideal for anyone interested in mastering Koine Greek. In two levels, this series guides learners through the essential grammar and vocabulary needed to read and comprehend the New Testament in its original language. Author Sally Teague has created an accessible approach to learning Greek, ideal for use in a variety of settings. The first level of the series is now available, and the second level will soon follow in Fall 2023.

B-C offers a multitude of resources for studying New Testament Greek. The newly released *Reading the Gospel of St. John: A Beginning* presents the Greek text of the gospel alongside invaluable notes and supports (p. 9). Two other titles in this series set forth the gospel of St. Mark and the gospel of St. Matthew in the same well-annotated, beginner-friendly format. All three texts can be used alongside *New Testament Greek: A Reading Course*. They are also a logical next step for those who have finished any introductory course in Greek and wish to continue their studies.

New Latin titles will appeal to different interests and levels! *Lectiones Memorabiles* Volume V compiles a unique selection of Latin works, helpfully annotated for intermediate and advanced students (p. 6). Additions to the *Explore Latin* and *Encounter Latin* series provide immersive introductions to ancient Roman culture—entirely in comprehensible Latin (p. 6). Finally, online interactive exercises available via the *Lumina* platform continue to receive updates and new features. *Lumina* is available for levels 1 and 2 of *LNM* (p. 5); as a stand-alone Latin course, *Lumina: Artes Latinae* (p. 11); and as an extensive set of supplementary activities to accompany Caesar and Vergil (p. 11).
New Testament Greek: A Reading Course is a clear, step-by-step approach to the fundamentals of biblical Greek. Concepts are presented in small, manageable increments, followed by short exercises that promote mastery. In two levels, learners encounter all of the grammar that they need to read the New Testament in its original language. Each level of the student text features a wealth of drills and readings. Such abundant practice allows learners to proceed according to a pace appropriate for their goals and needs. Companion workbooks are available for those seeking further opportunities to hone language skills.

Level 1 is now available! Look for Level 2 in Fall 2023.
A full overview of the program and samples can be found at www.bolchazy.com/NewTestamentGreek.aspx.

Regular tasks include word building in both Greek and English.

Well-placed illustrations and diagrams enrich the text and help make the material more accessible.

Short practice activities immediately follow each grammar explanation.

Reminders encourage learners to routinely self-assess.

Each chapter ends with a series of unadapted biblical Greek selections.

See page 9 for more resources for studying New Testament Greek, perfect for use alongside New Testament Greek: A Reading Course!
Latin for the New Millennium provides a firm foundation in Latin through its unique fusion approach to language learning. This comprehensive program combines the best practices of the reading method, traditional grammar instruction, and aural-oral techniques. Instructors and students who have come to love LNM appreciate the second edition, with its additional exercises that provide reinforcement and scaffolding as well as an enhanced emphasis on English derivatives. A bounty of extension and support materials accompanies the program, created with today’s college student in mind.

For more LNM information, including a full list of substantive changes found in the second edition, see [www.lnm.bolchazy.com](http://www.lnm.bolchazy.com).

Further features include appendices on meter and literary terms and a historical timeline.

Unadapted selections offer extensive reading in both prose and poetry: Seneca, De Clementia 1.8–9; Pliny the Younger, Letters 7.20, 9.3, 9.23, 9.36; Aulus Gellius, Noctes Atticae 5.14; Eutropius, Breviarium Historiae Romanae 7.14–20; Horace, Odes 2.3, 2.10, 2.15, 2.18, 2.20; Ovid, Heroides 7.1–124; Lucretius, De rerum natura 5.564–704; Tibullus, Elegies 2.1, 2.2.

Lectiones Memorabiles Volumes I–IV offer a unique spin on Latin-language anthologies intended for intermediate and advanced students. Visit our website for details.

Beginning Latin Readers
A Tiered Approach to Roman Culture

Explore and encounter Latin like never before! These tiered Latin readers use limited, high-frequency vocabulary and copious images to support comprehension. Explore Latin titles provide immersive introductions to the ancient world, using one hundred unique Latin words or fewer. Topics introduced in the Explore Latin series are further developed by the lively illustrated stories presented in Encounter Latin novellas. Each Explore Latin reader also establishes a core vocabulary that significantly overlaps with the words and phrases used in its corresponding novellas, which in turn build on a shared vocabulary across four levels.

Reading the Gospel of St. John in Greek
A Beginning
Norbert H. O. Duckwitz

Reading the Gospel of St. John in Greek: A Beginning, originally published by Caratzas (2002), empowers students at all levels to read and appreciate the gospel of St. John and biblical Greek as a whole. The combination of text, vocabulary, and grammatical notes on one page enhances the reading experience for both practiced and beginning readers of Greek. Readers with training in classical, Homeric, or biblical Greek will find that the format enables rapid reading, comprehension, and retention. Readers with little to no Greek language training will be able to work directly with text from the New Testament, in conjunction with the introduction and appendix, in order to develop proficiency with biblical grammar, vocabulary, and idiom.

New Testament Greek: A Reading Course uses a well-scaffolded approach to biblical Greek. In two levels, students develop a strong foundation in the grammar and vocabulary needed to read the Koine Greek of the Bible. This textbook series is perfect for use alongside (or as a precursor to) Norbert H. O. Duckwitz’s beginner-friendly annotated editions of the gospels. See page 3 for more details on this introductory course.

William Sanders Scarborough’s First Lessons in Greek
A Facsimile of the 1881 First Edition
William Sanders Scarborough; Foreword by Ward W. Briggs, Jr.; Introduction by Michele Valerie Ronnick

Ward W. Briggs, Jr., in his foreword, and Michele Valerie Ronnick, in her introduction, provide the historical and intellectual context for this pioneering work written by a nineteenth-century African American classicist. The introductory text includes Greek to English and English to Greek exercises that drill Greek grammar and vocabulary as well as readings from Xenophon’s Anabasis and Memorabilia.

LUMINA Online Interactive

A TIME-TESTED LATIN PROGRAM, UPDATED FOR TODAY’S STUDENT

LUMINA: Artes Latinae

For those intending to learn or review Latin on their own, at their own pace, Artes Latinae has long provided all the tools necessary to achieve a firm grasp of the language. Now, the self-teaching Latin course is available as a fully interactive online program, LUMINA: Artes Latinae. Receive immediate feedback while progressing through the audio- and image-enhanced frames—anytime, anywhere, on your internet-enabled device. This course is a great option for college-level summer study or course scheduling conflicts.

Each level of LUMINA: Artes Latinae is equal to a semester of college Latin study. Students who have finished Levels 1 and 2 are ready for reading courses.

Features
- Learn Latin in a Moodle Classroom
- Access all Artes Latinae resources online
- Receive immediate feedback within a programmed learning framework
- Track progress via a linked gradebook

INTERACTIVE GUIDED PRACTICE FOR CAESAR AND VERNIG

LUMINA: Caesar and Vergil Selections

With numerous opportunities for practice and reinforcement, these digital activities are the perfect complement to Caesar: Selections from his Commentarii de Bello Gallico and Vergil’s Aeneid: Selected Readings from Books 1, 2, 4, and 6 (p. 7). Hundreds of automatically-graded multiple choice questions promote close reading and provide students with immediate feedback. Copious free response questions ensure that students develop the skills to thoroughly analyze Latin passages for grammar, style, and historical context. Practice exams, flashcards, and supplementary activities allow for further review and assessment.

For online guided activities to accompany LNM, Levels 1 and 2, see page 5.
