B-C Moodle exporting Lumina grades

Viewing grades in Moodle is a bit cumbersome, a quicker method to view and record grades is to export the grades from Moodle.

Open your B-C Moodle Luimna course

1) Select "Grades"

2) Click the "Export" tab

3) Select the export file format: OpenDocument spreadsheet / Plain text file / Excel spreadsheet / XML file

School 3 - Lumina LNM Level 1	- Lumina: Latin for the New Millennium Le
Participants	Export: Excel spreadsheet
