

What is *Lumina*?

Bolchazy-Carducci Publishers has developed *Lumina* content for *Latin for the New Millennium* Level 1 and Level 2, *Caesar and Vergil Selections*, and *Artes Latinae* Level 1 and Level 2.

Lumina: Latin for the New Millennium Level 1 and *Latin for the New Millennium* Level 2 is designed to be guided online practice to accompany the *Latin for the New Millennium* textbooks.

Lumina: Caesar and Vergil Selections offers online interactive exercises designed to prepare students for the rigors of the AP® Latin exam. Hundreds of automatically-graded multiple choice questions promote close reading of all syllabus selections and provide students with immediate feedback. Ample free response questions ensure that students have the tools to thoroughly analyze and respond to syllabus passages. Practice exams prepare students for exam format, while vocabulary and figures of speech flashcards allow for additional review.

Lumina: Artes Latinae Level 1 and *Artes Latinae* Level 2 are online courses. These self-teaching Latin courses are revised editions of the *Artes Latinae* DVD program and use the *Artes Latinae* Program Method of teaching.
