Lumina LNM Level 1 Activities by Chapters and Reviews

Interactive Exercises Overview

Latin for the New Millennium interactive exercises provide an additional study aid for the content of the printed textbook or eBook.

These exercises are designed to reinforce lessons taught in the books and are labeled with the corresponding textbook page number for reference.

For each chapter there are additional practice exercises in the sidebar. These are more in-depth questions to allow for further student review. The exercises are automatically graded for the teacher.

Teachers using this interactive platform will have more in-class time to focus on discussion, translation, and comprehensible input activities.

Scroll to Chapter 1 Overview on this main page or in the side panel and open the Chapter Overview.

Open one of the exercises, with your Teacher role in the B-C Moodle you will see the “SoftChalk ScoreCenter” (see separate PDF for information on how to set student attempts for exercises).

When this ScoreCenter window opens, your students will not see this, click on the content link next to the “Item Name”. This will open the LNM exercise in a new window. (You do have B-C Moodle role access as “Teacher” and as “Learner”. If you would like to see the content as your students do go to the top right corner of your Moodle window, near your name is an “arrow” click and scroll down to “switch my role to” and select “learner”).
